MARKED VERSION SHOWING CHANGES MADE

Dear Sir:

In response to the Final Office Action dated November 4, 2002, the Applicant hereby requests amendment of the above-identified application as follows:

IN THE CLAIMS:

Please amend claim 18 as follows:

18. (Amended) A [method] receiver apparatus as in claim 17 wherein the I/O controller further comprises an input for receiving television programs, including additional information through the television program and electronic program guide information, the filter being coupled to the I/O controller for filtering information from the television program input in accordance with the adaptive user profile database.
